UPDATE YOUR MEMBER RECORD WITH GSAR!

We are running the roster for our 2010 Membership Directory at the end of March, so make sure your information is correct! Deadline to update is March 23, 2010.

If any of your contact information has changed within the past year, please update it with GSAR so that our 2010 Membership Directory is as accurate as possible. In the directory, we print your name, company, office phone number, office fax number, and e-mail address only. However, we would like to make sure the rest of your information is accurate as well. The office phone number and office fax number is automatically pulled from your company record in our database for the directory.
PLEASE USE ALL LOWERCASE LETTERS FOR YOUR E-MAIL ADDRESS!

**You can update your information on your own by going to:
