5. Attention CNYIS Subscribers

The MLS service fees will be moving to a semi-annual billing and eventually to an annual billing by 2020. The MLS staff continues to offer education on the increasing products and services being offered to all 1,700 CNYIS subscribers and over 500 additional members of those surrounding Associations that CNYIS serves. This plan will eventually move the MLS's portion, making the shift to the more financially productive months for agents, easing the end of the year burden. Keep in mind, this is for the CNYIS billing only! [Click here](#) for more information and billing schedule.
