Detailed Views generally show one listing on the screen at a time. A Detailed View may include a photo (or a larger photo, if the thumbnail had a small photo), and will frequently include detailed listing information.

1) On detailed views of other brokers' listings, the ML Number and the listing participant's Full Firm Name must appear, along with the IDX logo. When displayed, the Listing Firm's Full Name must be readily visible and shall be the same style and size type as the rest of the listing data and be preceded by the phrase "Courtesy of" (For example, "Courtesy of Listing Firm Name.")

2) The results must also include disclosure at the page's bottom that listings appearing with the IDX logo belong to other Listing Brokers, along with an MLS copyright notice. This text should also be the same size and type as the listing information.

3) A detailed view of another Broker-Owner's listing may not include any contact information or branding of the Participant who owns the web site, any of its agents or any third party within the "body" of the listing data. The "body" is defined as the rectangular space whose borders are delimited by the utmost extent in each direction of the listing text and photo data.
